

# PADI Open Water SCUBA Certification

303 Potrero Street #15, Santa Cruz, CA 95060 | (831) 458-3648 | www.asudoit.com

Three-quarters of the world's surface is covered by water. The Adventure Sports PADI Open Water Diver Certification course is your beginning guide to this new world of unprecedented beauty. We have created one of the most successful programs to make Monterey Bay a wonderful silent world available to anyone who desires to enter this space. Our program is unique in that we have totally trained our instruction staff in Northern California waters and built the only SCUBA training facility on the Monterey Bay with lecture room, outfitting, barbecue, and Jacuzzi-enhanced pool combined to make your beginning SCUBA experience complete and loaded with pleasure. Throughout the course, you'll learn fundamentals of scuba diving, including dive equipment and techniques. You will also earn a PADI Open Water Diver Certification that is recognized worldwide. PADI Open Water Diver Certification is your ticket to a lifetime of intense adventure. You earn this rating by completing five pool dives and knowledge development sessions and by making four open water (ocean or lake) dives. As a certified PADI Open Water Diver you have the freedom to dive with a buddy

independent of a professional. PADI Open Water Certification licenses you to dive worldwide and typically takes three weeks to complete (6 evening pool/lecture and 2 weekend ocean days or 4 weekend pool/lecture and two weekend ocean days). This class opens you to the experience of flying with the fishes. We will cover all safety and equipment issues relating to Open Water SCUBA Certification following the PADI Curriculum. Custom classes for private or group instruction are also available. There may also be accelerated and weekend-only classes scheduled.

### Prerequisites:

- Must be 12 or older (*Students age 10 and 11 must take the class with a parent or guardian or privately*)

### Class Includes:
